

OUR SERVICES

WORK WITH US

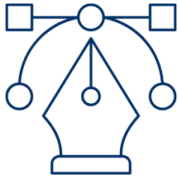

Whether you already have a collection idea and simply need assistance to make it a reality, or you're brand new to clothing manufacturing and are looking for guidance from the ground up, BARAKAH can help.

With years of experience behind us, we understand that a competitively priced, excellent quality product is essential for business success. With international markets fluctuating, currency falling and raw material costs rising, we know how critical it is to continue to deliver commercially viable products to the consumer. That's how we can so effectively assist our clients with specification development, material cost negotiation and pricing to ensure a commercially viable product.

- Custom packaging and inserts
- API connectivity to major shipping and e-commerce platforms

Many businesses choose to work with us time and again – in fact all of our clients are long term and have been with us for at least 5 years.

After all, there's plenty about Barakah that makes us popular:

- We are with our clients every step of the way, from design to production and beyond. Offering full control over the whole project cycle, we have multiple teams on hand for support day or night.
- Each client has a personal, dedicated account manager.
- We care about the environment and all our products are ethically sourced.
- Each one of our collections adheres to the strictest quality assurance and testing.
- All the fabric we use is of high quality, colour-fast and stays looking new even after multiple washes.
- We've worked with some big international brands, including Bershka, Bluenotes and Piazza Italia.
- We look after our staff and treat everyone we deal with fairly.

We are here to serve you and your business, so if you're interested in working with us please [get in touch](#) today (link to 'contact us' page) about your requirements or request a brochure.
